HOW TO ACCESS MEMBER RESOURCES

Before you can access member resources, you must create a UWEB web account. Here’s how:

1. Go to uwebc.wisc.edu.
2. Click Sign In in red bar at top.
3. Click Create a UWEB web account. Follow the instructions. (It’s a two-step process that sends a verification link to your email address.)

To register for a Peer Group or a Special Interest Group meeting:

1. Go to uwebc.wisc.edu and do one of the following:
   a. Click the meeting you want to register for from the UWEB EVENTS box in the right column or
   b. Click the practice area in the gray navigational bar of the meeting you want to attend: Marketing, IT, Supply Chain or Customer Service. Then select the Peer Group or Special Interest Group (SIG).
      ▪ If there is an upcoming meeting, it is featured on each Peer Group or SIG’s page.
2. Click Details at the bottom of the featured meeting box to see more.
3. For Peer Group meetings, click Register for onsite meeting if you will attend the event in-person. Select Register for webcast if you want to watch the online broadcast remotely. For SIG meetings, click Register.
4. If you’re signed in to your web account, you’ll be automatically registered for the event. If you aren’t signed in to your web account, a page will appear that says, “You must be logged in to register for this event.” Click the Sign In button. When you are signed in, the site will return you to the last page you visited. For Peer Group Meetings click Register for onsite meeting or Register for webcast again to register. For SIG meetings, click Register.

To request research and advisory services:

1. Visit uwebc.wisc.edu/request.
2. Fill out the form and hit Submit.
3. A Practice Director will review your request and contact you to connect you with a UWEB member company to discuss your business issue or collaborate on a research study.

To access recorded meeting presentations:

1. Go to a practice area page (Marketing, IT, Supply Chain or Customer Service) on uwebc.wisc.edu.
2. Click a link in the PAST MEETING ASSETS box (or click “See more” and click the meeting link you want).
3. Click the link of the presentation you want to view. If you aren’t signed in to your web account, a page will appear directing you to do so. The site will auto return you to the meeting asset page. Mediasite links will play the presentation video and slide side-by-side.

To join the UWEB LinkedIn Group:

1. Go to LinkedIn and search for the following groups:
   UWEB Customer Service
   UWEB Information Technology
   UWEB Marketing
   UWEB Supply Chain Management
   UWEB Human Resources Executives
